

Intro

Verse 1: How many times did I walk by?
Cross the street, turn away,
Never catch the eyes.

Everyone deserves a chance to shine.
What am I afraid of?
It's time to step up to the line.

Refrain: I can be better than this.
I am Better Than This!

Verse 2: How many times did you deny?
Making up excuses (for)
Believing in the lies.

Were you afraid to make up your own mind?
Listen to your conscience and
Step up to the line.

Refrain: You can be better than this.
You are Better Than This!

Bridge: History reminds us
Justice isn't blind she's just a
Prisoner of her time
Now, it's time to do what's right.

Verse 3: It's time to be better than this
Stand up with each other
Celebrate our differences.

Be the Change you want to see
Speak the Truth and Truth will set you free
Our children need a world where they can be
One Human Family...

Refrain: Better Than This!
(We are...)
Better Than This!
(We are..)
Better Than This!
(Iowa is)
Better Than This!
